

REMARKS

Applicants thank the Examiner for the Office Action of July 22, 2010. This Amendment is in full response thereto. Thus, Applicants respectfully request continued examination and allowance of the application.

Claims 5 & 6 of the previous claim set were deemed allowable. Claim 1 has been amended to include the former dependent limitation of claim 5. As a consequence, claim 6 is now made dependent on claim 1. The remaining claims have been canceled.

Accordingly, it is believed that the present application now stands in condition for allowance. Early notice to this effect is earnestly solicited. Should the examiner believe a telephone call would expedite the prosecution of the application, he/she is invited to call the undersigned attorney at the number listed below.

A two month extension of time is requested and the fee therefore co-submitted with this response. Applicant believes no other fee is due. If that belief is incorrect, please debit deposit account number 01-1375. Also, the Commissioner is authorized to credit any overpayment to deposit account number 01-1375.

Respectfully submitted,

Date: **DECEMBER 20, 2010**
